**SUPPLEMENTAL DECLARATION OF KIMBERLY K. NESS ON
BEHALF OF SETTLEMENT CLASS ADMINISTRATOR
JND LEGAL ADMINISTRATION REGARDING CLASS ADMINISTRATION**

STATE OF MINNESOTA

COUNTY OF RICE

I, Kimberly K. Ness, being duly sworn, depose and state that:

1. I am a Director with JND Legal Administration (“JND”), the Settlement Administrator in this case. I have been employed with JND for over four (4) years. JND was retained as Class Settlement Administrator in the above-referenced case (the “Action”). I am fully and personally familiar with the actions taken by JND with respect to the Settlement as described below and as set forth in the Initial Declaration of Kimberly K. Ness on Behalf of Settlement Class Administrator JND Legal Administration Regarding Class Administration dated and submitted to the Court on January 24, 2025 (the “Initial Declaration”).

2. I am over twenty-one years of age and am authorized to make this Declaration on behalf of JND.

3. I submit this supplemental declaration pursuant to paragraph 7 of the Final Order and Judgment Approving Class Action Settlement and Dismissing Class Action Claims with Prejudice entered by the Class Action Court on February 12, 2025 (Dkt. 381) (the “Final Approval Order”).

THE CLASS ACTION COURT’S FINAL APPROVAL ORDER

4. The Class Action Court’s Final Approval Order instructed that – upon completion of the processing of Opt Out Requests under the Settlement – “JND shall file a Supplemental Declaration containing the following exhibits: (1) a list of the timely and valid Requests for Exclusion by Provider Name and TIN; (2) the GEICO Companies’ insurance claim information that was identified on the timely and valid Opt Out Requests submitted by the Providers identified on Exhibit C to the JND In. Dec. and the additional Opt Out Requests that JND continues to process; (3) the Invalid Requests for Exclusion by Provider Name and TIN; and (4) the untimely Opt Out Requests identified by Provider name and TIN.” *See* Dkt. 381, at ¶ 7.

5. The Class Action Court’s Final Approval Order further recognized “that the healthcare providers identified on Exhibit C to JND Init. Dec. are excluded as Recognized Opt Outs not bound as Settlement Class Members for those GEICO Companies’ insurance claims to be identified on the forthcoming Supplemental Declaration from JND.” *Id.*

6. The Class Action Court’s Final Approval Order also retained “jurisdiction over this matter to issue further orders to incorporate the information that will be provided in the Supplemental Declaration(s).” *Id.*, at ¶ 9.

OVERVIEW OF JND'S CONTINUED RESPONSIBILITIES

7. Since the filing of JND's Initial Affidavit on January 24, 2025 (Dkt. 367), JND has continued to manage and complete the following administrative responsibilities:

- a. maintain a Settlement Website to provide information regarding the Settlement including the Notice Package, Settlement Agreement, Order of Preliminary Approval, Settlement Website Notice, and Frequently Asked Questions (FAQs), as well as a portal for Settlement Class Members to electronically submit Settlement Claims;
- b. maintain a toll-free telephone system containing recorded answers to frequently asked questions;
- c. maintain a post office box to receive Settlement Claim, Requests for Exclusion, Objections, and other communications about the Settlement;
- d. maintain the claims database that includes information relating to claims submitted by Settlement Class Members; and
- e. maintain a database that includes Opt Out Requests and related correspondence received from Settlement Class Members.

SUPPLEMENTED INFORMATION REGARDING OPT OUT REQUESTS

8. The deadline for requesting exclusion from the Settlement Class expired on November 12, 2024.

9. To date, JND has received and processed 1,979 Opt Out Requests from individual providers and purported Settlement Class Members (after accounting for duplicate submissions

for Settlement Class Members as determined by their TIN and purported Settlement Class Member name) that were deemed valid and timely pursuant to the requirements set forth in the Settlement and approved by the Court in the Preliminary Approval Order, or by agreement of the Parties. A list of those medical providers that have submitted valid and timely Opt Out Requests with their name and Tax Identification Numbers is attached as **Exhibit A**.

10. The GEICO Companies' insurance claim numbers identified on the valid and timely Opt Out Requests pursuant to the requirements of the Preliminary Approval Order or by agreement of the Parties to be excluded from the Settlement are identified on **Exhibit B**.

11. There were 1,410 Opt Out Requests that were submitted by providers (or their counsel), but deficient and therefore invalid for failing to identify the information required by the Preliminary Approval Order. The potential Settlement Class Members (or their counsel) who submitted these Opt Out Requests were provided notice that they were deficient and therefore invalid pursuant to the terms and process set forth in the Settlement Agreement and approved by the Court in the Preliminary Approval Order. These Invalid Opt Out Requests were not supplemented or corrected. These Invalid Opt Out Requests are identified by Provider Name and TIN on **Exhibit C**.

12. JND has also processed 193 Opt Out Requests as untimely because they were not submitted by the November 12, 2024 exclusion deadline. The potential Settlement Class Members (or their counsel) who submitted these Opt Out Requests have been provided notice that their Opt Out Requests were untimely pursuant to the terms and the process set forth in the Settlement Agreement and approved by the Court in the Preliminary Approval Order. A list of these untimely Opt Out Requests identified by Provider Name and TIN is attached as **Exhibit D**.

I swear under penalty of perjury under the laws of the United States and the State of Minnesota that the foregoing is true and correct to the best of my knowledge.
